The Bible House USA posts this letter to the Brethren of Poland to inform all, with the same message, of this necessary action against some who continue to go against the arrangements of our Movement!

The Bible House USA continues to follow the good principle set forth by Pastor Johnson when he stated that "for obvious reasons snap judgment must be avoided" (E Vol. 4, p. 280). Some brothers find reason to continue to take a deviating course from the regulations governing the Bible Standard Ministries [LHMM] Movement. In Christian love for them I, under the guidance of our great Jehovah, have chosen to remove them from the privilege of any affiliation under the Bible Standard Ministries [LHMM].

There is only ONE publisher of God's word of Truth: The Truth Movement! These arrangements have been set forth by the great Jehovah through the vessels He has chosen to serve earthly and this practice continues to this very day! Bible Standard Ministries must stand against anyone who knowingly and persistently agitates against any of the more important features of the Parousia and Epiphany Truth and its arrangements. The LORD has set in place the one who will properly do the representing, and who will set a proper example to the other brethren.

If one who claims to understand the Truth message and cannot see eye to eye with any of the more important features of the Truth as presented in the P.T. and the B.S., he should first communicate with me about it; and after he has had my reply or replies, if he still cannot see eye to eye with the pertinent arrangements or teachings the one's in error should step down from agitating against such arrangements. May we remind you that the Movement has bylaws that govern how we do business in harmony with the laws of the land!

Let us all that have entered into the service of God guard each step of our consecrated walk! While we cannot read the heart of each fellow servant we must recognize when one has made shipwreck of himself by setting aside the arrangements, we speak out against such action. This disciplinary action is taken against: Adam Urban, Leszek Rzepkowski, Augustyn Bochniak and Stanislaw Krechowicz.

The Movement has mailed letters to each of these for their private understanding of this required action!
